

Help for OECD iLibrary

<p>Access</p>	<p>Accessible through the library website via "resources" and the menu, choose "OECD iLibrary"</p>	
<p>Content</p>	<p>Access to all the publication from OECD regarding economic development in the OECD membership countries.</p> <p>In addition to this, you have access to:</p> <ul style="list-style-type: none"> • International Energy Agency (IEA) • Nuclear Energy Agency (NEA) • OECD Development Centre, PISA (Programme for International Student Assessment) • International Transport Forum (ITF) <p>The information is split up into five different types of publications. One publication might be about just one country or it might compare several OECD-countries.</p> <p>The subscription we have does not grant access to the statistical database "OECD.stat" which allows you to search across all the subjects – but we do have access to all of the datasets under each subject</p>	
<p>Limitation</p>	<p>We recommend the following strategies for refining your search in this enormous digital library:</p> <p>Browse by theme Choose your subject in the menu 'Browse by theme'. Information has been split up in types of publications. Open the hierarchy until you get to the title level and assess via the title if the its relevant.</p> <p>Advanced search If you use "Advanced search", which is located very discretely under the search fields at the top of the page, you can search using you own search aspects and terms. Remember as a minimus to limit your search by language, time, theme and country. You can also fx. Write a title in this search field.</p> <p>Statistics Are you only looking for data, then go to the "Statistics" button in the menu.</p>	  

<p>Help</p>	<p>You'll find different tutorials by pressing the "Help" button, top left side by the Facebook icon</p>	
<p>Sound publications if you need to find</p>	<p>Economic development:</p> <ul style="list-style-type: none"> • OECD Economic Outlook • OECD Economic Surveys • How's life? <p>Financing:</p> <ul style="list-style-type: none"> • OECD Institutional Investors statistics • OECD Pensions at a glance <p>Agriculture and food:</p> <ul style="list-style-type: none"> • OECD-FAO Agricultural Outlook • OECD Agriculture Statistics • OECD Food and Agricultural Reviews <p>... amongst other things ...</p> <p>Some good advice is, to start out using the titles from the publications or the databases, because these more often than not, will describe the content and what you can expect to find contentwise</p>
