

Finding subsidiaries

Check if the Danish Trade Council has pre-made list: <https://thetradecouncil.dk/publikationer> (in Danish)
From the filter menu, choose only the country and press 'Anvend filter' – please note, that not there's not a list of subsidiaries ('datterselskabsliste') for all countries.

If there's not a list – or if the list is too old – use the company database ORBIS.

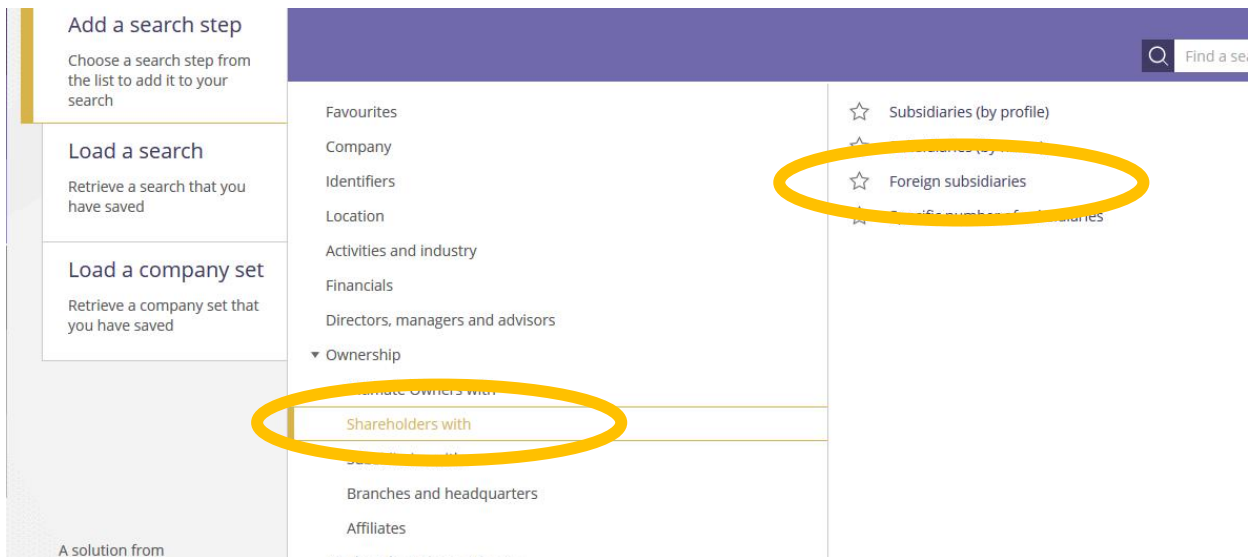

Find the link via <https://www.baaa.dk/library/e-resources/> > ORBIS
